

SBS SOLAR

TRUE DEEP CYCLE BATTERIES

NXT Range of AGM Deep Cycle batteries

- 100ah, 150ah and 200ah blocks
- Sealed AGM VRLA Battery
- 6 Years + Life @30% DOD
- Fast recovery from Deep Discharge
- Excellent Charge retention
- Rapid recharge capability
- Extremely cost effective

SGL Range of Tubular GEL Deep Cycle Batteries

- 105ah, 165ah and 220ah blocks
- Sealed Gel VRLA Battery
- 10 years + life @ 20% DOD
- Fast recovery from Deep discharge
- Low temperature sensitivity
- Extended shelf life
- Outstanding cost per cycle

TÖRR Tubular OPzS 2V Cells

- 200ah to 3000ah
- Tubular Vented Deep cycle Cells
- Extremely low Maintenance 12 - 18 m
- 13 years + cycle life @ 20%
- Low temperature sensitivity
- Insulated and corrosion resistant cell connectors

THE RIGHT DESIGN, THE RIGHT COMPONENTS, THE RIGHT ADVICE
